You will pay for **both** the conference registration and the hotel room through this form. Due to a rather complicated arrangement, you **must** stay at the conference hotel while you are at the conference, and you must make your payment directly to us. You may pay for the hotel and the registration separately if you wish.

The registration fee is \$125 after August 15 and \$100 before that date. The hotel cost is \$149 per night. The registration fee will be charged to your card immediately. The hotel room will be charged to your card a couple days before your arrival. If you pay by check, you should at the minimum send a check for the registration fee plus one night's room rate.

For credit card payments, we **only** take American Express, MasterCard and Visa.

If paying by check, the check should be drawn on an American Bank, and should be made payable to Brookhaven Science Associates.
