Dear Potential Collaborator:

We would like your participation in the Neutrino Factory and Muon Collider Collaboration. The Initial Charter, available at http://www.cap.bnl.gov/mumu/info/charter.html, describes the collaboration and, if you agree with it, will you please complete the form below, including the percentage of your time you expect to spend on the muon collider project in the next 12 months. Please email it to gallardo@bnl.gov.

It is important that we have a complete list of members when we make our presentation to the Gilman Committee. We would, therefore, appreciate your response as soon as possible.

Sincerely yours,

Juan C. Gallardo
